Scomi Group appoints Mastura Mansor as Country President for its Indonesia operations

PETALING JAYA: Scomi Group Bhd ("SGB" or "the Group") has appointed Mastura Mansor as the Country President for its Indonesia operations effective 1 December 2016.

Mastura will be responsible for development and expansion of the SGB's product lines in Indonesia including oilfield and marine services, transportation, renewable energy and chemicals. In addition, she will also assume the role of General Manager for the Group's Indonesian coal transportation subsidiary, PT Rig Tenders Tbk, which is listed on the Indonesia Stock Exchange.

She has more than 28 years of experience working across various corporate functions such as production planning, human resource ("HR") management and supply chain management.

Mastura first joined SGB in June 2006 as the Head of the HR division. She assumed various senior positions within the Group before being appointed as Vice President – Global Supply Chain Management in 2013.

Over the years, Mastura has served on the board for several conglomerates such as Lotus Group International Limited in the United Kingdom, Lotus Engineering (Malaysia), Proton Properties Sdn. Bhd., and Michigan Automotive Research in the United States of America ("USA"). She was also a past Member of the Industrial Panel for Malaysian Employers Federation ("MEF"), Human Resource Committee for the Federation of Malaysian Manufacturers ("FMM"), Board of Studies, University College of Engineering & Technology Malaysia (KUKTEM), Board of Studies for Industries – University Tun Abdul Razak 2010 and The Engineering Industrial Advisory Panel ("EIAP") – Taylor's University.

Mastura graduated with a Bachelor of Science in Industrial Engineering from the Wichita State University, Kansas, in the USA. She also attended an Executive Education Programme in Human Resource Strategy in Transforming Organisations at the London Business School.
