TITLE : Scomi Group appoints country president for Indonesia Ops

COMPANY : Scomi Energy Sdn Bhd

DATE : 2 December 2016

KUALA LUMPUR: Scomi Group Bhd has appointed Mastura Mansor (*pic*) as country president for its Indonesia operations effective Dec 1.

The group, which provides drilling and marine vessel services, said in a statement that Mastura would be responsible for developing and expanding its product lines in Indonesia including oilfield and marine services, transportation, renewable energy and chemicals.

She will also assume the role of general manager for the group's Indonesian coal transportation subsidiary, PT Rig Tenders Tbk, which is listed on the Indonesia Stock Exchange.

She has more than 28 years of experience working across various corporate functions such as production planning, human resource (HR) management and supply chain management.

Mastura first joined Scomi Group in June 2006 as head of the HR division. She assumed various senior positions within the group before being appointed as vice president (global supply chain management) in 2013.

Over the years, Mastura has served on the board for several companies such as Lotus Group International Ltd in Britain, Lotus Engineering (M), Proton Properties Sdn Bhd, and Michigan Automotive Research in the US.
