**PETALING JAYA:** Scomi Group Bhd posted a stellar jump in net profit to RM49.3mil for the financial year ended March 31, compared with RM4.96mil a year earlier.

Revenue for the financial year under review (FY15) increased 8.8% year-on-year to RM1.8bil.

In a statement, the group – which is involved in oilfield and marine services, and transport solutions – said the substantial improvement in earnings was due to the turnaround in its transport solutions division which posted a profit after tax of RM400,000, compared with a loss of RM37.7mil in FY14.

The group has a RM5.3bil order book, consisting of RM3.9bil from oilfield services, RM1.2bil from transport solutions and RM190mil from marine services.

“Our performance is very encouraging. We are constantly looking to boost efficiencies – streamlining and

consolidating operations for greater resource optimisation across all business units.

“I believe this will prove vital given the increasingly competitive environment,” said Scomi Group chief financial officer Zarof Abu Bakar.

“We will also continue to leverage on technology and innovation in order to optimise costs in this chal-

lenging market condition,” he further added.

For the fourth quarter, net profit was RM22.75mil, compared with a net loss of RM4.2mil a year ago, while revenue increased 3.6% year-on-year to RM436.36mil.

Regarding revenue in FY15, oilfield services delivered RM1.28bil while marine services and transport solutions provided RM278mil and

RM238.3mil, respectively.

Notably, the marine services division posted a 54.9% increase in revenue.

The group’s notable wins for FY15 included oilfield services contracts worth over RM384mil while marine services won a RM175mil contract of affreightment from TNB Fuel Services Sdn Bhd.

Also, its transport solutions unit won the Sao Paulo Line 18 monorail project and a bus chassis assembly contract for Alexander Dennis Ltd.

The group’s oilfield services unit has submitted over RM700mil worth of new tenders.

“The oilfield services unit will intensify efforts to grow existing markets, especially in the Middle East where drilling activity remains high despite the low crude oil price. For transport solutions, the division is looking to participate for monorail bids in Brazil, India, Malaysia, Thailand and Turkey,” said the group.

# Scomi posts higher Q4 net of RM22.7m

**KUALA LUMPUR:** Scomi Group Bhd posted a net profit of RM22.7 million for its fourth quarter ended March 31, compared to a net loss of RM4.2 million in the previous corresponding quarter.

This was achieved on the back of RM436.4 million revenue, up from RM421.3 million a year ago.

For the whole financial year, the group registered RM49.3 million net profit on the back of RM1.8 billion revenue, compared with RM4.9 million net profit and RM1.6 billion revenue in the previous year.

Its Oilfield Services (OFS) division contributed RM1.28 billion to the group's revenue while Marine Services and Transport Solutions delivered RM278 million and RM238.3

million, respectively.

Marine Services revenue led the growth by posting a 54.9 per cent increase followed by OFS and Transport Solutions with 3.6 per cent and 0.6 per cent growth, respectively, compared to the financial year ended March 31 last year.

"The group's performance is encouraging and we will continue to focus on our key strategies.

"We are constantly looking to boost efficiencies — streamlining and consolidating operations for greater resource optimisation across all business units. I believe this will prove vital, given the increasingly competitive environment," said chief financial officer Zarof Abu Bakar in a statement.

## Scomi returns to profitability in 4Q, records sterling FY15 performance

**BY FATIN RASYIAH MUSTAZA**

KUALA LUMPUR: Scomi Group Bhd returned to the black with a net profit of RM22.75 million, or 1.46 sen earnings per share, for the fourth quarter ended March 31, 2015 (4QFY15), compared with a net loss of RM4.16 million or 0.27 sen per share a year ago.

Revenue for 4QFY15 rose 3.6% to RM436.36 million from RM421.32 million a year ago.

For the full financial year ended March 31, 2015 (FY15), its net profit surged 894.75% to RM49.3 million or 3.17 sen a share from RM4.96 million or 0.31 sen a share for FY14, driven by the growth of its marine services segment.

In a statement yesterday, Scomi attributed the substantial improvement in its FY15 earnings to the turnaround in the transport solutions division. From a loss of RM37.7 million for FY14, the division posted a net profit of RM400,000 for FY15.

The group's revenue for FY15 also increased 8.8% to RM1.8 billion from RM1.65 billion for FY14, led by its marine services division which posted a 54.9% increase, followed by its oilfield services and transport solutions businesses with 3.6% and 0.6% growth, respectively.

"The group's performance is very encouraging, and in spite of the

current market condition, we will continue to focus on our key strategies," said Scomi chief financial officer Zarof Abu Bakar.

"We are constantly looking to boost efficiencies, streamlining and consolidating operations for greater resource optimisation across all business units. I believe this will prove vital, given the increasingly competitive environment. We will also continue to leverage technology and innovation to optimise costs in this challenging market condition," he added.

For FY16, the group will continue to actively bid for projects. In 4QFY15, its oilfield services unit submitted over RM700 million worth of new orders.

"In addition, the oilfield services team will intensify efforts to grow existing markets, especially in the Middle East, where drilling activity remains high despite the low crude oil prices. For transport solutions, the division is looking to participate in monorail bids in Brazil, India, Malaysia, Thailand and Turkey," it said.

Currently, Scomi (fundamental: 0.55; valuation: 0.90) has a combined order book of RM5.3 billion, of which RM3.9 billion is from the oilfield services segment, RM1.2 billion from transport solutions and RM190 million from marine services.

Scomi Group Bhd's (SGB) pre-tax profit for the financial year ended March 31, 2015 (FY15) surged 40.5% to RM113.8 million from RM81.05 million a year ago.

Revenue increased 8.8% to RM1.8 billion from RM1.65 billion in FY14, it said in a statement today.

In terms of revenue, its oilfield services (OFS) division contributed RM1.28 billion while marine services and transport solutions delivered RM278 million and RM238.3 million respectively.

Marine services led the revenue growth increasing 54.9%, followed by OFS and transport solutions with 3.6% and 0.6% growth respectively, compared to FY14.

The substantial improvement in SGB's FY15 earnings is attributable to the turnaround in the transport solutions division, which posted a profit after tax of RM0.4 million in FY15 from a loss of RM37.7 million in FY14.

For FY16, the group said it would continue to actively bid for new projects.

In the fourth quarter of FY15, its OFS unit submitted over RM700 million worth of new tenders.

## Untung Pracukai Scomi Group Naik 40.5 Peratus Kepada RM113.8 Juta Pada Tahun Kewangan 2015

KUALA LUMPUR, 21 Mei (Bernama) -- Keuntungan sebelum cukai Scomi Group Bhd (SGB) bagi tahun kewangan berakhir 31 Mac, 2015, melonjak 40.5 peratus kepada RM113.8 juta daripada RM81.05 juta tahun lepas.

Perolehan meningkat 8.8 peratus kepada RM1.8 bilion berbanding RM1.65 bilion pada tahun kewangan 2014, katanya dalam satu kenyataan Khamis.

Dari segi perolehan, bahagian perkhidmatan medan minyak (OFS) menyumbang RM1.28 bilion kepada kumpulan manakala perkhidmatan marin dan penyelesaian pengangkutan, masing-masing sebanyak RM278 juta dan RM238.3 juta.

Perkhidmatan marin menerajui pertumbuhan perolehan meningkat 54.9 peratus, diikuti dengan OFS dan penyelesaian pengangkutan dengan pertumbuhan masing-masing pada 3.6 peratus dan 0.6 peratus berbanding tahun kewangan 2014.

Peningkatan besar dalam pendapatan tahun kewangan 2015 SGB disebabkan oleh pemulihan dalam bahagian penyelesaian pengangkutan, yang mencatatkan keuntungan selepas cukai sebanyak RM0.4 juta pada tahun kewangan 2015 berbanding kerugian sebanyak RM37.7 juta pada tahun kewangan 2014.

Menurut kumpulan, kejayaan ketara dalam tahun kewangan 2015 termasuk kontrak OFS bernilai lebih RM384 juta manakala perkhidmatan marin mendapat kontrak daripada TNB Fuel Services Sdn Bhd bernilai RM175 juta.

Selain itu, unit perniagaan penyelesaian pengangkutan mendapat kontrak projek monorel S&P Paulo Line 18 dan kontrak pemasangan casis bas bagi Alexander Dennis Limited.

Bagi tahun kewangan 2016 pula, kumpulan berkata ia akan terus secara aktif membida projek-projek baharu.

Pada suku keempat 2015, unit OFS mengemukakan tender baharu bernilai lebih RM700 juta.

Gabungan kontrak dalam tangan SGB berjumlah RM5.3 bilion -- OFS (RM3.9 bilion), penyelesaian pengangkutan (RM1.2 bilion) dan perkhidmatan marin (RM190 juta).

### Scomi Group profit up 40%

KUALA LUMPUR, May 21, 2015:

Powered by earnings from its oilfield services unit and its transport unit returning to profit, Scomi Group Bhd posted a 40.5% higher pretax profit of RM113.8 million for the year ended March 31, 2015.

In a statement, the firm said revenue rose 8.8% to RM1.8 billion for the year. Its combined order book now stands at RM5.3 billion.

In terms of revenue, Scomi Group said oilfield services division contributed RM1.28 billion to the group while marine services and transport solutions delivered RM278 million and RM238.3 million respectively.

It said the substantial improvement in earnings is attributable to the turnaround in the transport solutions division. From a loss of RM37.7million in 2014, the division posted an after-tax profit of around RM400,000.

Moving forward, the oilfield services unit had submitted over RM700 million worth of new tenders and this team will intensify efforts to grow especially in the Middle East "where drilling activity remains high despite the low crude oil price".

Scomi Group also said it is looking to participate for monorail bids in Brazil, India, Malaysia, Thailand and Turkey.
